**Subject:** Thank You and Next Steps

Hello Benjamin,

I just wanted to say thank you for taking the time to see me. I really appreciated you listening to my issues and concerns. As discussed, it would mean a lot to me if you could connect with the nursing school and recommend they reach out to me, to get a sense of my place with nursing.

I love nursing and UB. I have been proactive and started drafting solutions to being able to continue the program. I am attaching a preliminary outline of some ideas I have for being able to continue. Hopefully, they can be receptive to new ideas that might benefit all parties involved.

I will be keeping an eye out for any emails and look forward to the next steps.

\*just cc'ing David since I cc'ed him and his team on the last email

Best,  
George
